YOUR HISTORIES
of
NORTH OAKLAND

Sights, Sounds, & People from the Recent to the Deep Past

From 1942 - 1954
I lived on San Pablo
Avenue & 59th.
My fondest
memories of
childhood are
coming to the
library here
for children's
story hour and
checking out
books.
Reading gave me
dreams of
far away places
and adventures.

Happy to set
foot here again
today

Thanks for making history!
